

would be the only immediate step General Carranza could take to avoid hostilities. Whether a mediation proposal might be considered after their release is a matter of speculation.

#### ANOTHER PLAN MIGHT

RECEIVE CONSIDERATION  
There is reason to believe, however, that a plan which did not involve a military status quo in Mexico and the consequent hampering of General Carranza's dispositions to guard the international line from raiders would be considered.

The State Department late in the day received its first official news of the cavalrymen prisoners from other than Mexican sources. The British consul at Chihuahua City transmitted a report through the embassy, saying that the twenty-three troops and an interpreter were being well treated, and that the injuries of the two wounded men were slight. The British consul took over American interests when American officials were withdrawn.

Mr. Arredondo's note, protesting against the arrest of Mexican citizens in the United States is based on reports from the Mexican consuls at San Francisco and Tucson, Ariz., summaries of which also were telegraphed to General Carranza at Mexico City. It requests the release of the prisoners and states that in each instance they were arrested without justification.

The consul at San Francisco merely reported that fifteen Mexicans were arrested at Redding several days ago and twenty others were imprisoned there last Sunday. J. M. Gonzales, an agent of the Treasury Department of Sonora State, was reported by the consul at Tucson to have been arrested and imprisoned by the authorities there without any known charge being made against him.

#### OFFICIAL NOTIFICATION

OF EMBARGO NOT GIVEN  
In protesting against enforcement of the embargo, Mr. Arredondo points out that no official notification has been given the Mexican government of the embargo of such a measure, and that, on the other hand, the de facto authorities continue to promote commercial intercourse with the United States.

With reference to the activities of Mr. Douglas, Mr. Arredondo admitted that the attorney had been re-named as legal adviser of the embassy, but insisted that the visit to Counselor Polk to-day was in a wholly private capacity.

There were indications at the War Department during the day that the military censorship may be expected to tighten at any time. Officers showed increasing disinclination to talk of troop movements, even of the progress being made with mobilization of the National Guard. Secretary Baker expects to have his army press bureau in operation shortly, and through it will be given out all that is desired shall be known.

#### MEXICANS ARE ARRESTED

AS RESULT OF RIOTING  
REDDING, CAL., June 27.—The recent rioting in the streets of Redding, participated by both Americans and Mexicans, resulted in the arrest of more than a score of Mexicans and a large number of Americans.

On Sunday, June 18, several Americans were stabbed, and minor injuries were sustained by many on both sides of the controversy during a riot. The Mexicans arrested on that occasion were released when it was found by the authorities that the Americans had incited the trouble.

The second outbreak took place last Sunday. Two Americans were stabbed and fourteen Mexicans were arrested. Of these, five were released immediately, seven were released today and two are in jail charged with assault with deadly weapon.

#### NO CARRIZAL SURVIVORS

ARE BEING HELD IN JAIL  
EL PASO, TEX., June 27.—Reports that two negro troops had been arrested in Juarez and were being held in jail there were not fully credited by General Bell to-day, who said that he had been informed that they were deserters. He has reported the matter to General Pershing, but will make no inquiries without orders. Andres Garcia, Mexican consul here to-day, denied that any survivors of the Carrizal clash were being held in Juarez and said rumors of this nature had gotten out of the arrest of a half-demented Jamaican negro, whom the United States authorities had turned back when he attempted to cross the international bridge.

#### AMERICAN PRISONERS

WELL TREATED BY MEXICANS  
WASHINGTON, June 27.—The British consul at Chihuahua City, who is looking after American interests there, reported to the State Department to-day that the American troops captured at Carrizal had been interned in the Chihuahua penitentiary and were being well treated. He gave the number as twenty-three. Two were slightly wounded.

The consul's message, which was the first report regarding the prisoners to reach the department from him, also noted the detention of the Mormon interpreter taken with the cavalrymen. The report follows:  
"There are twenty-one privates and two sergeants of Tenth Cavalry, and one white interpreter interned in penitentiaries. Two are slightly wounded, one through the shoulder and the other has flesh wound in knee. Both recovering and receiving medical attention. They are sufficiently fed and well treated. They have ample room for exercise. There is no danger for their lives."

#### TENDER DIXIE SAILS

CROWDED WITH REFUGEES  
WASHINGTON, June 27.—Captain Burrage, commanding the battleship Nebraska at Vera Cruz, reported to-day that the tender Dixie, crowded with American refugees, had sailed for Tampico for Galveston. She should arrive early Friday. The captain said two children were born to-day to American women on the Dixie.

#### VILLA IS NOT WANTED

IN CARRANZA'S SERVICE  
WASHINGTON, June 27.—A report that Francisco Villa and a body of his followers are to be mustered into the Carranza army in the event of war with the United States was officially denied to-night by Eliseo Arredondo, Mexican ambassador-designate here. Mr. Arredondo said he had been advised from Mexico City that under no circumstances would Villa or the bandits allied with him be permitted to serve with the de facto

## No Fighting Necessary to Capture Washington

NOGALES, June 27.—Refugees arriving here to-day from Magdalena, Hermosillo, report that Mexican recruiting officers are spreading broadcast through that state circulars which say in part:  
"No fighting will be necessary. Our brave troops will simply march northward, brushing the gringos aside until our glorious tricolor floats from the dome of the Capitol at Washington."

The refugees, who included three women and several children, say they were treated civilly by Mexicans en route to the border.

troops. For more than two months, the ambassador's advisers declare, Villa's whereabouts had been unknown to Carranza officials.

#### STONED AND JEERED

BY MOB OF MEXICANS  
EL PASO, TEX., June 27.—Five employees of the Alvarado Mining and Milling Company, were stoned and jeered by a mob of Mexicans on their way from Parral to the border, according to a report made to officials of the company on their arrival here to-day. The Americans were protected from the civilian mob by a military guard. Howard Gray, one of the party, was painfully injured when a stone struck him on the head.

Members of the party asserted that the townspeople apparently believed they were soldiers of the American expedition, but that the members of the guard, reinforced by a detachment of cavalry, informed the leaders of the mob that they were "gringos," that they would shoot at the first attempt at violence. No difficulties were experienced by the party elsewhere, it was said.

Forty-eight thousands pounds of flour went across the border line into Mexico at Juarez to-day. The flour was sold to the Carranzistas by an El Paso wholesale merchant. It is understood that it went over after Washington had been asked if there would be any objection to its crossing.

#### WILL GO TO WASHINGTON

TO URGE MEDIATION  
NEW YORK, June 27.—A committee composed of Mr. Amos Pinchot, Professor Irving Fisher, of Yale University, and Professor Harry Allen Overstreet, of the College of the City of New York, was appointed at a mass-meeting held here to-night to go to Washington and urge mediation of the Mexican trouble in accordance with the spirit of the treaty of 1848.

A resolution was passed praising President Wilson for his patience, both with respect to Mexico and the various European countries at war, and asking that he accept mediation in the present crisis with the neighboring republic. "In order that the treaties of the United States may not be turned into scraps of paper."

#### AMERICAN NEWSPAPER MAN

RELEASED BY CARRANZA  
MEXICO CITY, June 27.—Daniel Dillon, an American newspaper man, who was imprisoned here several weeks ago by the Carranza government, was released to-night.

#### NEGROES DISHEARTENED

BY LOSS OF OFFICERS  
But for that they probably would have whipped Mexicans in Carrizal Clash.

FIELD HEADQUARTERS, June 27 (via wireless) to Columbus, N. M.—Major Jenkins and Howze, returning to-day from their relief expedition toward Carrizal, gave it as their opinion that the negro troops of the Tenth Cavalry would not have beaten the Mexicans had they not lost their officers. The death of Captain Boyd and Lieutenant Adair, and the wounding of Captain Morey took the heart out of the soldiers, they said.

#### TOWNS ABANDONED

BY PERSHING'S FORCES  
MEXICO CITY, June 27.—The American forces under the command of General Pershing have abandoned Bachajon and San German in order to concentrate to the north, according to advices received by General Obregon, Secretary of War, from General Trevino, commanding the government troops in Chihuahua. The Carranza forces have occupied these positions and organized them so as to prevent the American troops from again occupying them.

#### WIFE-BEATER FLEES

But William Smith Couldn't Run as Fast as Policeman L. C. Towner.

William Smith, colored, made a dash for liberty yesterday, after being sentenced to three months on the county road on a charge of wife-beating in the Juvenile and Domestic Relations Court.

#### WOMEN TO WAR ON WAR

German Suffrage Organ Sings Greeting to Suffering Sisters in France.

THE HAGUE, June 27.—The Zeitschrift fuer Frauenstimmrecht, the German woman suffrage organ, has sent the following greeting to the women of France:  
"We feel, think and suffer like you, and swear that after this catastrophic war the women of all nations shall work unitedly to prevent forever its recurrence."

#### SAINTLY INSPECTION

IS MADE EACH DAY  
The senior medical officer on duty with a regiment or separate unit will be held strictly accountable for the sanitary condition of the organization to which he is attached. He will inspect the camps once each day. All sanitary defects will be promptly reported to commanders, and they will

#### IMPORTANT CHANGES

IN REVENUE PROGRAM  
Measure Will Be Held Up for Possible Revision in View of Mexican Emergency.

MAY BE FEDERAL BOND ISSUE  
Decision to Delay Action Is Reached After Secretary McAdoo Has Had Conference at the White House. Treasury in Good Condition.

WASHINGTON, June 27.—The expense of meeting the Mexican emergency, coupled with unexpected increases in other army and navy items, may result in important changes in the administration's revenue program. House leaders decided to-day to delay introduction of the revenue measure proposed by the Ways and Means Committee, and there were indications that the change in plans might contemplate a Federal bond issue.

The decision to hold up the revenue bill for possible revision was reached after Secretary McAdoo had gone to the Capitol.

Mr. Kitchin had expected to introduce the measure to-day and have it taken up by the House on Saturday. He said to-night it might not be submitted for a week or more.

#### DISCUSSES ADVISABILITY

OF CANAL BOND ISSUE  
It is understood that in addition to the question of revenue legislation the secretary talked over with the committee chairmen the advisability of raising \$100,000,000 in a partial issue of the Panama Canal bonds.

If war comes there may be an additional issue to be designated as war bonds.

So far the appropriations for national defense at this session of Congress, carried in bills passed, reported, or in committee, amount to \$561,980,557. This includes the naval bill as revised by the Senate subcommittee \$211,496,344; the army appropriation bill, pending in the Senate, \$182,000,000; the appropriation bill, pending in the Senate, \$25,129,119; two deficiency appropriation bills already passed, \$8,811,502 and \$1,999,773; the urgent defense bill to be passed to-night for the fiscal year next week, \$25,426,000; with an additional \$2,000,000 in probable amendments; and the Military Academy bill, reported to-day for passage in the House on Thursday, \$1,216,750.

#### CONSIDERS TREASURY

IN GOOD CONDITION  
Secretary McAdoo is understood to have told the chairman to-day that he considered the Treasury's condition, except for the extraordinary expenditures, as satisfactory, and he expected to have a general balance fund of approximately \$188,000,000 on hand at the close of the fiscal year next week. The revenue bill, as prepared in committee, proposes to raise \$210,000,000, which embraces approximately \$100,000,000 additional from the income tax, \$90,000,000 from an inheritance tax and \$20,000,000 from a tax on net receipts or profits of munition plants.
